

We Share Abundance Is...

The United States Of The World

We are a not-for-profit community with the goal of helping banish poverty on a global scale.

Our mission is to build a community of likeminded people who seek more than just material gains.

A community built around loving service to others and in doing so, create a sustainable economy helping over 100,000,000 families to find hope and extra income by making both WESA Tokens valuable assets.

This in turn will generate additional income to be used for charitable work focused on curing causes of suffering rather than treating the symptoms.

Our national prayer is *“Dear Heavenly Father, bless the We Share Abundance community that it may fill all our citizens’ hearts with unconditional love and through that love that each citizen may find the joy of service. Through service bless each citizen that they may attract true happiness and all they need in life.”*

We Share Abundance Benefits Of Citizenship.

We are an emerging cloud nation founded in March 2021 with a constantly expanding economy and a mission to serve our citizens and the world at large.

As such we are a not-for-profit organisation with all income received being used for the benefit of our citizens.

This enables us to provide much greater value than can be found elsewhere.

Everything we offer can be attained with no out-of-pocket expense.

However, most citizens prefer to use some cash to make life easier and earn more money faster.

1. **Join and receive a free \$5.** Complete your profile and KYC and we will give you \$5 which you can use from the 1st of next month to enhance your rewards in your Wealth Building Portfolio.
2. **Wealth Building Portfolio.** We give you free tokens every month to build you a solid reserve of wealth to secure your future and the future of your children and their children through many generations. This is operated through participation in up to 6 pools with a minimum investment of \$2 and a maximum of \$100.
The more pools you are in the greater the rewards we pay you each day for simply logging into your account. Each pool citizenship also grants you a ticket for a free raffle in that pool with prizes allocated each month ranging from a few cents to tens of thousands of dollars. You can also message fellow pool citizens based on your status in the Easy Business Builder. You may also as a citizen buy additional Tokens to add to your portfolio at just 40% of the market price at the time of purchase.
3. **Success On A Plate (S.O.A.P)** Even as a totally free citizen we also issue you with coupons which you can give away to help others join our community as paid citizens in the Easy Business Builder, with no cost. Each coupon you give away earns you an instant \$3 once the new citizen has verified their identity (KYC). The S.O.A.P. plan ensures that as long as you help others by giving away your full allocation of FREE Coupons you will make a guaranteed profit every month ranging from \$6 to a minimum of \$50. You also earn 100% commissions on upgrades in your referrals first month.
S.O.A.P. can also stand for Serving Others Attracts Prosperity.
4. **Easy Business Builder**, which includes but is not limited to...
 - a. Leveraged list building
 - b. Internal mailer guaranteeing 100% deliverability. We also encourage people to read your message by reducing their free benefits by as much as 75% for unread mail.
 - c. Fully automated Downline Builder – very powerful as this can enrol people into your business through 7 levels which can easily be over 21,000 solid prospects if each person only ever refers 4 people, which we encourage through the Poverty Crusher Plan; many will refer 5 each month.
 - d. Fresh bonus leads each month to message with your offers.
 - e. Ability to message paid citizens based on your status.

5. **Poverty Crusher** is an advertising platform providing the best value for money available. Ad packs are just \$5 each and will allow you to expose a full web page to buyers at just \$0.005 each. I believe this is the best value on the Internet but it gets even better because we have rewards that benefit all participants, even if they never refer anyone; obviously those who make referrals will benefit faster.

Benefits include...

- a. Ad packs automatically being renewed, at no additional cost, so that they provide advertising for life not just for a limited period.
 - b. Passive income earned by all citizens, but withdrawals of income restricted for citizens who make less than 4 referrals. All citizens may withdraw 25% of their income from the plan; citizens who made 2 referrals may withdraw 50% of their income, citizens who have made 3 referrals may withdraw 75% of their income and citizens who have made 4 referrals may withdraw 100% of their income. Undrawn income remains in a citizen's wallet until it is able to be withdrawn and there is no time limit on qualification.
 - c. All personal sales are credited to you for a 10% cash commission plus a 20% ad pack commission. 5 sales earn you \$2.50 (which can be easily doubled, see g. below) plus a new ad pack.
 - d. Orphan and admin sales are credited in the first empty position in Level 1 which is a straight-line plan, so that all citizens, active or passive, benefit from the compensation plan.
 - e. The compensation plan has 4 levels paying...
 - i. \$20 on level 2
 - ii. \$50 on level 3
 - iii. \$500 and then \$2,500 on level 4
 - f. Direct referrals attract a 100% matching bonus on all earnings and everyone will eventually earn over \$3,000 (those actively referring will of course earn much faster than passive citizens) and so making referrals can be very lucrative. Imagine referring 10 or 20 people and receiving over \$3,000 every time each of them completes all 4 levels.
 - g. Income earned by all citizens can be as much as doubled through the Power of One Bonus Plan.
6. **Power of One Bonus Plan.** This is probably the easiest and most lucrative bonus plan you will ever see. There are many ways to maximise your benefits from this plan which affect almost all income you receive, even the winnings from the Monthly Free Raffle. The basis of the plan is to simply be consistent in referring one new paid citizen a month and benefits build each month. But in the Poverty Crusher any month that you refer just 5 new citizens you will be granted a maximum bonus of 100% doubling your income. The basic bonus plan is designed to help you be consistent as follows...
- a. Introduce just 1 new paid citizen in a month and receive a 10% Bonus
 - b. Introduce just 1 new citizen in the next month and now your bonus is 15%
 - c. In the following months stay consistent and your bonus becomes...
 - i. 20% in month 3
 - ii. 25% in month 4
 - iii. 30% in month 5 and
 - iv. 50% in month 6
 - v. You can also achieve a 100% Bonus in any month that you refer 5 new participants into Poverty Crusher.

7. **Secondary Staking.** This is a completely new concept allowing citizens to enjoy automated monthly payments, subject to a minimum of \$10, to their external wallet. Initially withdrawals will be paid in Tether Stable Coin (TRC20) but in the future there will be the option to receive WESAbundance Tokens. The minimum Stake is just \$25 deposited from external funds and all Stakes must be in multiples of \$25. For every \$1 deposited in this way an equal Stake (subject to availability) will be made from the WESAbundance Wallet utilising the FREE Tokens given to our citizens every month. The staking rewards are calculated at 0.167% each day that a citizen logs into their account, totalling 5% for 30 days logged in. The 0.167% is calculated on the total Stake including the Free Tokens Staked and so a \$100 deposit plus a \$100 WESAbundance Stake will earn \$10 in a 30-day period; this can be enhanced from the Power of One Bonus to as much as double the basic reward. Any time in the first 12 months you may withdraw your initial deposit to your external wallet and the match from your WESAbundance Wallet will be returned to that wallet. The best part of this plan is that every 12 months for the 5 years your Stake is valid you are paid a Loyalty Bonus (not included in the Power of One Bonus Plan) increasing each year and based on the value of your initial deposit. Below we show an example of a \$100 deposit enhanced by a \$100 Stake of WESAbundance Tokens...
- a. Year 1 – 12 x \$10 monthly plus a 100% Loyalty Bonus of \$100 = \$220
 - b. Year 2 – 12 x \$10 monthly plus a 200% Loyalty Bonus of \$200 = \$320
 - c. Year 3 – 12 x \$10 monthly plus a 300% Loyalty Bonus of \$300 = \$420
 - d. Year 4 – 12 x \$10 monthly plus a 400% Loyalty Bonus of \$400 = \$520
 - e. Year 5 – 12 x \$10 monthly plus a 500% Loyalty Bonus of \$500 = \$620
 - f. Totalling \$2,100 over the 5-year life of the Stake; that's a 2,100% profit.
 - g. With Power of One Bonus enhancements this could be as high as 2,700% profit.
8. **More on the way.** We will never stop adding benefits and improving our site for the benefit of all citizens. Two projects scheduled for 2023 are...
- a. the addition of a Trivia Games platform where by simply having fun competing with your peers you can win as much as \$34,938.30 by winning 7 consecutive games. There is still an opportunity to become a shareholder in this exciting project and you can find out more here... <https://2dollarmiracle.com/opportunity/>
 - b.
 - c. A Mall where We Share Abundance and citizens will be able to sell anything they choose and all members will be able to earn commissions from sales through 2 tiers.

We have many more exciting projects and our mission will always be to help others through loving service. If this is a community you would like to join and share in the love then please get back to the person who gave you this document. They may even have a free coupon to provide you with a paid membership of the Easy Business Builder at no cost.
