

Beyond Infinity

**One Powerful, Fully Automated Machine
With A Human Touch!**

**Understanding the Power of Automation combined with the
Power of the Human Touch to create the Perfect Platform.**

The design and creation of Beyond Infinity encompasses everything one needs to generate a lifetime income, with no limits, no matter what your goals are. Beyond Infinity is a true one-level affiliate platform and there are basically two main components. And everything else stems from these two components, automatically.

What are the Two Components?

The First Component is Passive income.

If you want to earn completely on a passive level, you have the ability to do that in Beyond Infinity, without referring anyone. In the last couple of years, a lot of people have turned from actively referring others and have begun looking for passive income opportunities that do not require you to refer and yet, you still can earn. And we have taken that process a step further to give you the perfect platform!

Beyond Infinity Gold (BIG)

Our Beyond Infinity Gold (BIG) platform is completely passive and does not require referring others, in order to receive. However, Beyond Infinity has expanded this notion of passive income in a way that no other company has ever done before.

When you make a product purchase for a one-time, out-of-pocket \$50, or you receive a P.I.F. (Pay It Forward) for \$50, you will automatically receive a BIG account with a \$10 Jump Start deposit, to get you started. And this \$10 deposit can grow to over \$200,000 in a 6-year period, without ever referring anyone.

Each week, you will receive from 3% up to 5%, compounded weekly in profit share earnings, on your BIG Balance. There is no hold time for the availability of the funds in your BIG account. The funds in both your BIG Balance and your BIG Wallet are available to you, at any time, except for the initial deposit and any marketing campaign contributions.

However, the goal of having a BIG account is to allow your money to grow to the point of receiving automatic withdrawals from your BIG Wallet, each week to your Internal Wallet, to do as you please. And the more deposits you can make to your BIG account, the faster this will happen. This is automatic income with no further effort on your part.

Plus, in addition to the initial \$10 Jump Start deposit to your BIG account, you can add to your BIG Balance, still completely passive, by making a contribution to our marketing campaigns, through our BIG Auto Club, to help us with upfront marketing costs.

The BIG Auto Club

When you make a contribution to our marketing campaigns, we will reward you with a brand-new vehicle in 1 year, completely paid for!

You can make your contribution in 1 of 6 amounts: \$250, \$500, \$750, \$1,000, \$1,250, & \$1,500 and each of these amounts is 1% of the value of a brand-new vehicle that you can receive, completely free, in just one year's time. This means that you will receive a brand-new vehicle that is valued at 100 times your contribution.

In addition to a brand-new car, we will automatically deposit 80% of your contribution amount into your very own BIG account which will boost your profit share earnings. This is our way of saying "Thank You" for supporting our mission and goal of helping others, all around the world, experience financial freedom through our Benefactor's Pool.

The Second Component is Active income.

The passive income from the BIG account that every paid member receives is automatic and if you want to grow your income faster, you can participate in our Active income components, the Infinity Plan and the HPLs (Honey Production Line). We will not go into the details of each of these platforms here except to say that they operate automatically, whether you understand them or not and this is where the human touch comes into being. ***It takes people to help people.***

Usually, when you hear the words "Active income", this means referring others into the business and with Beyond Infinity, it is no different. However, we are making this the easiest business to refer others to, without ever having to actively refer anyone. This is where our unique "Triple M" Benefactor's Pool comes into the equation.

What is the Benefactor's Pool?

As a result of the upfront marketing campaign contributions received by those participating in our BIG Auto Club, Beyond Infinity can bring together those who are wanting to join our business but may not be able to pay the one-time \$50, with current paid members who are willing and able to pay the one-time \$50 for someone in our Benefactor's Pool. You can P.I.F. up to 5 people in a 21-day period.

And because we want to maintain a balance between those waiting to receive a P.I.F. and those who are purchasing a P.I.F., we may change the number of people you can P.I.F. and/or the number of days in between your total allowed P.I.F.s, at any time.

These are real people who are ready to become a part of your Beyond Infinity organization. And many of them have hopes of building their own organization, as well. We are not talking about Leads that you have to buy or contact, in any way, before they join your organization. We have actual people waiting to receive a P.I.F. (Pay It Forward) from a current member who is wanting to grow their Beyond Infinity business actively. And here is the best part, once someone becomes a paid member, they are eligible to become a BIG Ambassador.

What is a BIG Ambassador?

A BIG Ambassador is one who helps to spread the word about our Benefactor's Pool through a special BA link they will receive. The only requirement to become a BIG Ambassador is to be a paid member. Therefore, for any member who receives a P.I.F. and is now a paid member, they can also become a BIG Ambassador and help spread the word about the Benefactor's Pool. They know it works because it worked for them and now, they can help others benefit the same way.

As a BIG Ambassador, for every 5 new people that register, for free, through a BA's special link, AND they receive a P.I.F., the BA will receive the next available person in the Benefactor's Pool, as a personal referral, and they will become that person's sponsor. This means that as the sponsor, they will receive the \$40 commission and the 10% Match on their referral's BIG account earnings.

This is the perfect way to build your Beyond Infinity business, with no stress and without needing to actively refer anyone. And this happens each time you have 5 new people, from your BA link, receive a P.I.F. You could expand your Beyond Infinity business just by helping others to join our Benefactor's pool, for free!

Not having the money to get started in Beyond Infinity is no longer a viable excuse. Everyone now has the ability to earn an unlimited income, both passively and actively, and can get started for free!

Are You Ready To Earn Even More?

When you help someone from the Benefactor's Pool become a part of your organization through a P.I.F., did you know that qualifies you for the Infinity Plan and the HPLs?

When you have your first personal referral, you will become active in the Infinity Plan and with your second personal referral, you will receive your first HPL – I. Both platforms can earn you an unlimited income, in addition to your passive income. To learn more, please see our Beyond Infinity Compensation video or PDF in the Training section of your back office.

Now that you have begun earning an active income, you are also eligible to make manual deposits into your BIG account, from your earnings. This means that you can build your BIG Balance to the point where you will start receiving automatic withdrawals from your BIG Wallet, directly into your Internal Wallet, that much faster. And once this begins, you can count on weekly deposits to your Internal Wallet while your BIG Balance continues to grow, without interruption!

We hope that you can see that Beyond Infinity is the perfect platform where you can earn, however you choose, and at your own pace. Everything is completely automated and even if you do not understand how everything works, your money will always fall in the right place at the right time to build a lifetime of wealth.
