2. Introduce yourself and say that you are ready to get started with the programme.
3. Tell her your the name of the person who invited you {Your Upline} or who shared the Group Link with you and send her these details in the same message.
4. Inform her of the amount you wish to begin your investment with and in what crypto currency you would like to use.

WHAT NEXT?

1. Send the initial Capital with your name as reference in the comments but please be aware that she may send you a reference number so make a record of that.
2. For XRP Ripple then please provide the TAG Reference that accompanies the address as this will go in the Tag Destination Box. **{Warning: XRP maybe lost in transit when sent without the destination Tag}**
3. Take a Screenshot or send the TXID or Transaction ID in a separate comment as proof of payment to Rebecca.
4. She will confirm and send a receipt of confirmation of your transaction with a screenshot back to you along with the details of when your first payment is due in 7 days.

WHAT HAPPENS THEN?

Rebecca will then send you a Crypto Address to where you send your funds so that you can begin your journey with the opportunity and your funds are locked in for trading.

Once your 4 payments are sent to you and you have DOUBLED your Investment Capital then your Contract Expires.

You can choose to make a NEW Investment and start all over again as you can have as many contract running side by side.

KEEP IN MIND!

Whenever you want to get started and make an investment or a deposit then please contact your upline and your upline should also contact their upline informing them of your deposit so that they can keep a record of your referrals.

IMPORTANT

1. Follow the SIMPLE Instructions that have been set by Rebecca to reduce time, errors, faster responses and confirmations of your transactions.
2. Always send your crypto wallet address that is accepted by the platform on its own in a separate message when ever Rebecca asks you for it.
3. New members joining should make sure they let Rebecca know who have they been referred by into the programme.
4. DO NOT MESSAGE Rebecca over and over again as your message will be lost as Rebecca follows a certain process and she is very good at it.
5. BE EXTREMELY PATIENT as Rebecca will get back to you and to your message with a response within 48 to 72hrs and that includes any deposit confirmations or answers to your questions.

IMPORTANT

1. In the Event you DO NOT RECEIVE a Deposit Confirmation or a Payout on the due date then its either because you have NOT provided Rebecca with your wallet or the information that she has been waiting for to confirm your investment. **{DO NOT PANIC!}**
2. Every investment or deposit made is Time Stamped so be rest assured that your payment due date would be 7 days from the date you sent the funds to Rebecca but you MUST send the correct details for her records.
3. Please follow the rules of the telegram group and maintain a positive atmosphere in the chat among other investors which means No Negativity and No Negative people as that would get you Banned from the Group and your invested funds REFUNDED back to you!

SHARING IS CARING!

Feel FREE to discuss the opportunity, share your earnings, screenshot and your testimony in the chat so that others who wish to join may be encouraged to do so as this opportunity is here to help everyone make money online
