

## Joining WSA is free and without obligation

As a free member you will receive \$2 for verifying your email and ID.

Once verified you are eligible, after 7 days, to be randomly selected for an assisted position (No out of pocket cost) in our 777 Plan.

The \$2 gift can be used to get you started in Pool 1 and receiving 10 cents for each day you log in. Each Pool you are in also grants you a free raffle ticket for that Pool and prizes range from a few cents to tens of thousands of dollars every month, with about 20% of Pool members getting a prize each month. There are 6 Pools, and when you are in all 6, you receive \$5 for each day you log in, and are classed as an Elite Member. As long as you log in at least half the available days in a month you are classed as Active and so once in all 6 pools and logging in regularly you are an Active Elite Member.

**Active Elite members qualify for FREE MONEY** which is a random selection from all Active Elites at least once a month with awards from \$25 to \$100 being paid out. Sponsors also qualify for 100% matching payments as long as they are also Active Elites. **We distribute at least \$1,000 a month, and usually much more, in FREE MONEY** this way. **There is no requirement to have referred anyone or have sold anything**, all you need to is log in each day to claim your \$5 each day.

FREE members also can earn commissions from personally referred members who upgrade in either our Easy Team Builder and/or ShareHope Powerline Plans.

As our Mall is made available, you can also benefit from commissions on purchases made by your referrals, through 2 levels, from the Mall.

**We currently have 4 plans available for those who opt to join them and all 4 can be joined for just \$29.75.**

Obviously, being a paid member in any of these plans enhances your income potential and also qualifies you for additional random **FREE MONEY of up to \$1,000 a month.**

### The plans:

1. Poverty Crusher. \$5 gets you started and provides you with advertising credits and entry into a lucrative compensation plan.
2. 777 Plan. \$5 again is all you need to get started, and you are guaranteed to at least double your money in 6 months. Your payment in this plan credits you with an equal amount to spend in our Mall.
3. ShareHope Powerline Plan is \$2.50 a week payable as \$10 for 4 weeks and there is no option to pay more than \$2.50 a week. This is our "Pension Plan" and will build you an income of over \$6,000 a month over time with a guarantee that you will be in profit, with 13 consecutive payments, or we pay your fees until you are in profit. As a member of this plan, you receive an additional 20% off Mall purchases or commission on sales made to referrals. You are also entered into a monthly FREE MONEY random allocation of \$100 each month with a minimum of 2 winners each month.
4. Easy Team Builder is just \$9.75 a year and has too many benefits to list here, but in short it solves the problem of duplication and can provide you with over \$200,000 from the powerful compensation plan. This is where the FREE MONEY gets really big each month, and if randomly selected, you can receive upto \$1,000 if you are in all 4 plans and a minimum of \$400 if only in the Easy Team Builder plan.

Each plan you enter pays you at least an equal value into your US\$ Wallet and once that total reaches \$100 including your log in rewards and free raffle winnings you can use it to become an Elite Member eligible for all the FREE MONEY benefits. For this reason, many members choose to join some plans at higher levels, not only enhancing their income potential but also rapidly generating the \$100 for all 6 of the Pools.

As an example, \$5 for Poverty Crusher, \$9.75 for Easy Team Builder, \$10 for ShareHope Powerline Plan and \$75 for Level 4 in the 777 plan is a total of \$99.75 with \$100 paid by WSA into your US\$ Wallet allowing you to instantly become an Active Elite Member.

**Whatever you choose, with WSA you simply can't lose!**
