

WSA Success Blueprint Compensation Plan and Benefits. Price \$11.00 monthly.

Once you have 9 on level 2, you receive \$1,000 in your WSA US\$ Wallet	\$1,000 Value
---	---------------

As soon as you have 27 on level 3 you are paid into VYB with the top package. This is not only a valuable product, but also enters you in the VYB Matrix and referral commission plan, allowing you to earn referral commissions on all the people in your levels 1 and 2 here in the WSA Blueprint, as they follow you into VYB. Just the VYB referral bonuses alone, on your level 1 (3 people) and level 2 (9 people), are worth \$300 a month in recurring commissions. You will also receive payment into our ShareHope Powerline Plan, our 777 Plan and our Poverty Crusher Plan. **PLUS, Automatic payment of your monthly fee in the Blueprint Plan.**

Once you have filled the 3x3 matrix you can open another leg and expand your Blueprint Matrix to 4 on level 1, resulting in an extra 3 on level 2 and 9 on level 3 causing you to receive \$80 a month and you may then open another leg earning another \$80 a month.

Each completed leg allows you to open a new leg, which when completed pays you at least \$80 a month and of course adding an additional \$100 a month in tier one and tier two VYB commissions. Note that: until you have personally referred 3 people you can not withdraw your earnings and until you have helped those 3 refer 3 each you can only withdraw 50% of your earnings. You never lose your earnings, but must qualify to make a 100% withdrawal,

How many legs do you want, each earning you a total of \$180 a month ignoring the VYB matrix commissions?

But it gets even better!

Because, if everyone expands their matrix to 4 legs, your matrix commissions jump from \$80 a month to a massive \$300 a month, plus VYB referral commissions of \$480.

Now, imagine if all expand to 5 legs, it jumps to \$800 a month, with VYB referral commissions of \$700.

Please understand that, the idea is to get you and everyone else to 7 legs, because that gets you and all your partners to the top level in the VYB Matrix Compensation with over \$400,000 a month potential income. WOW!

6 legs pay \$1,600 plus \$960 from VYB and

7 legs pay \$2,700 plus \$1,260 from VYB, and we have not even considered your VYB Matrix commissions and matching bonus payments, which you receive through 2 tiers. BUT...

It doesn't stop there. You can open as many legs as you wish, helping more people find freedom and also enhancing your income in both WSA and VYB.

The door to success is wide open here for you, but it's your choice to walk through and commit to an \$11 a month subscription, and to helping just a few ambitious people do the same as you.
